

Song

Verse In the kitchen

Where's the cat

Is it on the table or under the mat

In the living room, where could it be

On the sofa or under the TV

Chorus Where's the cat, where's the cat

Is it in the garden chasing a bat

Halloween is here, spooky and fun

Where's the cat, let's find it, everyone

In the bathroom, look around

Is it in the tub or on the ground

In the bedroom, under the bed

Or maybe it's hiding on the chair

instead

s Where's the cat, where's the cat

Is it on the balcony wearing a hat

Halloween is here, pumpkins glow bright

Where's the cat, let's find it tonight

Bridge In the attic it's dark and still

Is the cat hiding there? Maybe it will

Spiders and shadows, a Halloween
show

Where's the cat? We all want to know

Chorus Where's the cat, where's the cat

Is it in the garden chasing a bat

Halloween is here, spooky and fun

Where's the cat, let's find it, everyone
