

Song

We ride in a sleigh past windows that
My sister has got ornaments all shining in
a row
Dad has got the stockings hung straight,
not low
Mum has got mistletoe swinging soft and
slow

Chorus Have you got that Christmas
feeling?
Yes I have, yes I have
Have we got our hearts all singing?
Yes we have, yes we have
Reindeer rushing in the sky
Carols drifting through the night
Have you got that Christmas feeling?
Yes I have, yes I have

Other has got gingerbread sticky on his
hands
Grandma has got carols ready, leading our
small band
Grandpa has got the chimney fire, soft and
bright and hot
I have got my family here , that's the best
I've got

Has he got a candy cane? Yes he has, yes
he has
Has she got a snowy hat? No she hasn't,
she hasn't
Have they got their smiles on? Yes they
have, yes they have
Have we got each other? Yes we have, yes
we have

Chorus
