

Song

It is raining, it is cold
It is wearing a jacket
It is wearing gloves
It is not wearing a skirt
Is it wearing trousers?

Chorus What is it wearing? What is it wearing?
Look and say, look and say hey!
What is it wearing? What is it wearing?
We can say it now today

It is sunny, it is hot
It is wearing a dress
It is wearing a shirt
It is not wearing shoes
Is it wearing socks?

s What is it wearing? What is it wearing?
Look and say, look and say hey!
What is it wearing? What is it wearing?
We can say it now today

It is windy, it is cool
It is wearing shoes
It is wearing trousers
It is not wearing a jacket
Is it wearing a skirt?

Chorus What is it wearing? What is it wearing?
Look and say, look and say hey!
What is it wearing? What is it wearing?
We can say it now today
