

Song

Melody Moo is a friendly monster
Big green feet and a funny tail
There is an Easter bunny smiling
There is an Easter card in the mail

Chorus Melody Moo, jump jump jump hey!
There is a basket by the door
There are hot cross buns for sharing
There are giggles on the floor
Melody Moo, jump jump jump woo!
Easter chick runs by her shoe
There are friends all shouting "Happy
Easter!"
There is fun with Melody Moo

There is a chick in the garden
Yellow, tiny, soft and new
There are eggs behind the flowers
Can you find a purple one too?

is a place where we can hide now
There are steps that we can count
One, two, three, then we go jumping
Easter joy in every bounce

Chorus Melody Moo, jump jump jump hey!
There is a basket by the door
There are hot cross buns for sharing
There are giggles on the floor
Melody Moo, jump jump jump woo!
Easter chick runs by her shoe
There are friends all shouting "Happy
Easter!"
There is fun with Melody Moo
