

Song

Melody Moo is a little monster

She wakes up early, she can jump high

She eats breakfast, she can eat pancakes

She brushes teeth and she can smile wide

Chorus She can sing, she can dance

Melody Moo can, Melody Moo can

She can run, she can write

Melody Moo can, Melody Moo can

He can, she can, it can hey!

We can, you can, they can

But Melody Moo is special

Melody Moo can, Melody Moo can

She goes to school, she can read stories

She can play games, she can draw too

She cant fly, she cant drive buses

She cant be late , she goes to school on
time

She can sing, she can dance

Melody Moo can, Melody Moo can

She can run, she can write

Melody Moo can, Melody Moo can

He can, she can, it can oh yeah!

We can, you can, they can

But Melody Moo is special

Melody Moo can, Melody Moo can

She cant sleep in class, she cant eat
chalk

She can brush teeth, then she can talk

She cant be lazy, she can be cool

Melody Moo can learn every day at school

Chorus
