This is Sam. Sam is a happy boy. Sam can run very fast and he can jump. At school, Sam can draw a big sun. But Sam has problems: he can't sing and he can't swim in the water.

Sarah is at the park today. She is very athletic! She can run like a tiger and she can jump over the small flowers. She even can climb the big oak tree! However, Sarah needs to practise more things: she can't ride a bike without help and she can't fly a kite because there is no wind today.

Toby is in his classroom. He is an artist! Toby can write beautiful stories and he can draw amazing monsters. In music class, Toby can play the piano perfectly. But Toby is not good at everything: he can't sing high notes and he can't speak French yet.

It is Saturday! Alex is very busy. Alex can swim in the lake and he can cook delicious biscuits for his friends. After that, he can sing and dance at the party. But be careful! Alex can't skate on ice because he falls down, and he can't wash the dishes because he is too tired.

Lily is a very active girl. Every morning, she wakes up at 6 o'clock because she can run ten kilometres before school. At school, Lily is brilliant in Art class; she can write with both hands and she can draw beautiful landscapes. In the afternoon, she goes to school for her dance lessons because she can dance salsa perfectly. However, Lily is not good at everything. She can't brush her own hair because it is too long and curly, and at the park, she can't climb the high wall because she is afraid of heights
