

Netball and Cricket: Popular Sports

Cricket

In many English-speaking countries, like the UK and Australia, children love playing traditional sports. Two very popular hobbies are Cricket and Netball.

Cricket is a famous summer sport. Players wear white clothes and use a wooden bat to hit a ball. It is a very long and relaxing game. People often play it in the park on sunny days.

Netball

Netball is a fast team sport. It is similar to basketball, but you cannot run with the ball! Players must pass the ball to their teammates to score a goal in the net. It is a very common hobby in schools.

These sports are great for making friends and staying active. Which one is your favourite?
