

**Spike**

Hello everyone! I am Spike. I am very hungry today. For lunch, I really like pizza, it is my favourite food! I also like fruit, especially red apples. But please, don't give me coffee. I don't like coffee, it is for adults! Yuck!"

**Fuzzy**

Hi friends! My name is Squiggle and I love eating in the garden. I like fries, they are so salty and crunchy! I also like potato, I love big potatoes. But I have a secret: I don't like peppers. I think peppers are boring. I really don't like peppers!

**Squiggle**

Hey! I am Fuzzy, the fluffy monster. I am a very good cook! I like fruit because it is sweet and I like flour because I use it to make big cakes for my friends. But there is one thing I hate: I don't like pizza. No, no, no... I don't like pizza at all!
