

HALLOWEEN

READING COMPREHENSION

READ THE TEXT AND ANSWER THE QUESTIONS BELOW.

Halloween night is my favorite time of the year. After dinner, my friends and I put on our costumes and grab our bags. We go door to door in our neighborhood, saying "Trick or treat!" at every house. Most people give us candy, but sometimes they give us small toys or stickers. Some houses have spooky decorations like skeletons and pumpkins with funny faces. I always come home with a huge bag of candy. After trick-or-treating, my family watches a Halloween movie together before going to bed. It's the best night of the year!
