Hello! I am Linko and this is my busy week of hobbies!

On Monday, I am very happy. I am fishing at the pond, but I am not swimming because the water is cold.

On Tuesday, I am at home. I am playing games with my friends, but I am not reading books today.

On Wednesday, I am an artist! I am drawing a beautiful garden, but I am not singing songs.

On Thursday, it is a quiet day. I am reading a big book about monsters, but I am not cooking pizza.

On Friday, I love music. I am singing my favourite song! I am not playing games today.

On Saturday, I am in the kitchen. I am cooking a giant cake, but I am not drawing pictures.

And on Sunday, I am very tired. I am swimming in the pool, but I am not fishing.
