

Reading Station: A Postcard from Try-it Tim

Hello friends!

I am on holiday in the Monster Mountains. It is great! Today, I am very busy. I am fishing in the big lake and I am swimming because the water is blue and beautiful.

This afternoon, I am with my friend Melody Moo. We are singing happy songs and we are dancing together. It is very fun!

But I am not doing everything. I am not reading a book and I am not playing games today. Also, I am not cooking dinner because I am not hungry.

I am drawing a picture of this postcard for you. Do you like it?

See you soon,
Try-it Tim
